FROM CHRISTMAS TO EPIPHANY, LENÔTRE TAKES YOUNG & OLD ALIKE ON A GOURMET JOURNEY

THE TRAIN OF WONDERS

PARIS, 20.09.2025, 10:33 Time

USPA NEWS - In an Immaculate Forest where the Fir Trees sparkle under a Veil of Powdery Snow, a Mysterious Train winds between the Century-Old Trees. This is No Ordinary Train, but "The Train of Wonders", a Magical Convoy that passes only once a Year, on Christmas Night. It follows an Invisible Golden Thread, Woven by Time itself, connecting the Past to the Present, Memories to Promises.

In an Immaculate Forest where the Fir Trees sparkle under a Veil of Powdery Snow, a Mysterious Train winds between the Century-Old Trees. This is No Ordinary Train, but "The Train of Wonders", a Magical Convoy that passes only once a Year, on Christmas Night. It follows an Invisible Golden Thread, Woven by Time itself, connecting the Past to the Present, Memories to Promises.

On Board, each Carriage tells the Story of a Festive Moment, from the Table of Grand Reunions to the Sweet Treats that prolong the Season. Each Moment is designed to make the Magic of the Holidays shine, Day after Day.

From Christmas to Epiphany, Lenôtre takes Young and Old alike on a Gourmet Journey where each Dish, each Creation, celebrates the Art of Hosting and prolongs the Enchantment until the Last Wreaths of January.

"Conceived as a Joyful and Gourmet Journey, the Holiday Collection takes the Form of "The Wonder Train", this Unique Convoy that only passes on Christmas Night and whose each Carriage reveals a Festive Stopover."

"We shaped this Universe with the Marianne Guély Workshop, and it has inspired each of Our Creations. This Work is carried out by a Brigade of Chefs and Artisans made up of Passionate Women and Men, Meilleurs Ouvriers de France (Best Craftsmen of France) and a World Pastry Champion, who, like Santa's Elves, shape each Creation with a Single Goal: to make every Moment of the End-Of-Year Celebrations shine." Says Guy KRENZER (Lenôtre Creative Director - doubly sacred "Meilleur Ouvrier de France").

- The Advent Calender

Designed as a Work of Paper by the Marianne Guély Studio, this Advent Calendar embodies all the Magic of a Christmas by Lenôtre.

In a Winter Setting sculpted with White and Gold Fir Trees, under a Starry Sky and a Golden Moon, a Luminous Train winds between the Snow-Capped Mountains.

Each Window conceals a Sweet Stopover: Milk and Dark Chocolate Bonbons with Melting Pralines, combining Iconic Recipes and New Creations.
